

# Mohammad Hussain Adeli

Data Analyst | Data Scientist

Virginia, US

+1 (206) 581-6714 | jobsadeli@gmail.com | in hadeli | mhadeli

## EDUCATION

MSc in Data Science, AI, and Digital Business	Berlin, Germany
GISMA University of Applied Science	
Bachelor in Business Administration (BBA)	Kabul, Afghanistan
Bakhtar University	

## PROFESSIONAL EXPERIENCE

Data Scientist and Analyst   TuringDevs	Jan 2024 - Present
System Advisor (Data Science & Analytics)   NRC	Apr 2022 - Dec 2023
Information Management Manager   UNICEF	Jan 2019 - Jan 2022
Senior Data Analyst   UNESCO	Jan 2017 - Dec 2018
Data Analyst   UNDP	Apr 2014 - Dec 2016

## TECHNICAL SKILLS

Languages:	Python, SQL, R
Data Science:	Statistics, Supervised/Unsupervised, Deep Learning, NLP, RAG
Frameworks:	TensorFlow, PyTorch, Scikit-Learn, Keras, Transformers
Data Engineering:	Data Wrangling, Big Data (Spark, Hadoop, Hive, Snowflake, Databricks, Kafka)
Tools:	Pandas, NumPy, DAX, Amazon S3, Azure Data Lake
Visualization:	Matplotlib, Seaborn, Plotly, Tableau, PowerBI, QGIS, GeoPandas, Streamlit
Databases:	PostgreSQL, MySQL, MongoDB, Cassandra, Redis
Cloud & DevOps:	AWS, Azure, Docker, Git

## AWARDS

1 <sup>st</sup> Place, Innovative ESG Data Solution   Ferris Labs AG
Developed a comprehensive ESG analytics platform using web scraping, API integration, NLP for insights, and machine learning for ESG score prediction.
2 <sup>nd</sup> Place, Business Opportunities & Client Engagement Solutions   Curaya
Identified business opportunities and developed data-driven client engagement strategies at a hackathon, enhancing client value and competitive advantage.

## CERTIFICATIONS

Machine Learning Specialization	DeepLearning.AI
Deep Learning Specialization	DeepLearning.AI
Data Engineering Professional Certificate	IBM
Python Pro Bootcamp	Udemy
SQL + Tableau	365 Data Science
Git and GitHub	365 Data Science
Python for Data Science and AI Development	IBM
Fundamentals of digital marketing	Google
PRINCE2® Foundation Certification Training	APMG International
